

Integrated Management System Policy

Barbanera

Vision

Turning expectations into reality.

Mission

To fairly satisfy all its customers by conducting energy safely.

Quality Policy

Meet customers' needs, exceeding their expectations, through the continuous improvement of its processes, developing its employees and building lasting partnerships with customers and suppliers.

Values

Responsibility, Trust, Dedication and Commitment.

Environmental Policy

Manage environmental aspects and impacts, protecting the environment through the rational and conscious use of natural resources, committed to continuous improvement and measures to prevent environmental pollution.

Occupational Health and Safety Policy

Preserve the health of our employees by managing hazards and risks through safe practices and appropriate technical guidance, providing a healthy work environment and maintaining an ongoing commitment to safety.

Legislation

Comply with laws, regulations, and other requirements related to quality, the environment, occupational health and safety.

Pietro Barbanera.
Director.

Approved on 26 January 2015.

Revision 02 - 26 August 2026.
